Miami Neiros - 7:08 PM

Junior High

JH English

Mrs. Colp's 6th and 7th Grade English classes are well underway. Aside from reviewing their summer reading, the 6th graders started a poetry unit. They even began writing and decorating their own poems!

7th graders completed their first vocabulary unit and created a "Word Wall" using the new words that they learned!

6th Grade Science

Miss Oziel's 6th grade Science class is learning about plants. They studied the different parts of a Vinca flower plant, especially the roots, and are growing their own bean sprouts. The girls wrapped the beans in a wet paper towel and put them in containers by the sun. We're excited to watch them grow!

P.E. Class

The rain didn't stop the girls from getting their exercise in this week. PE with Mrs. Selmar included lots of fun ball games in the garage and outdoors!

Shiras Miriam High School

9th Grade Activity

The 9th grade had a special getting to know you activity with their teachers on Tuesday and played a fun Bingo game!

9th Grade Learning

School is in full swing, and the 9th graders are off to a great start BH!
Mrs. Volk began learning Megillas Esther with her 9th grade classes.

Mrs. Yachnes began learning Mussar with the 9th grade!

FIU Spanish Class

Students in Professor Ingrid Edery's FIU dual enrollment program are embarking on the first of two courses in two semesters for 10 credits total. The girls got right down to business conducting interviews in Spanish in groups of two!

Other Happenings..

G.O. Breakout

Our G.O. Presidents kicked off their theme "G.O. for the Gold" with an amazing song and dance breakout this week. The stage was magnificently decorated, and the girls all learned the song and dance. Thank you G.O. Presidents Aleza Bernstein, Sarah Draiman, Adena Gluck, Ariella Paritzky, Rochel Strassfeld, and Elisheva Winkler. They also gave out adorable pink BYM scrunchies!

We looking forward to seeing what else you have in store for us this year!

Throughout the Week...

A Peek Into BYES

Our first full week in BYES! The delicious talmidos are learning, laughing, and forming new friendships!

In PreK the girls enjoyed an adorable Aleph Bais scavenger hunt to find the treasure. They were introduced to the letter Aleph. The Kindergarten girls had a chance to perform a mitzvah in this week's Parsha when they returned a missing water bottle, Hashavas Aveida! The first graders received their 'pencil driving license' this week as they were introduced to their new ksiva program.
